ONE REFERRED CLIENT — REAL EXAMPLE

YEAR	PROJECTS	REVENUE	RATE	YOU EARN
Year 1	2	\$3,000	10%	\$300
Year 2	2	\$3,000	10%	\$300
Year 3	2	\$3,000	10%	\$300
Year 4	2	\$3,000	3%	\$90
Year 5	2	\$3,000	3%	\$90
Total	10	\$15,000	—	\$1,080

Example assumes a typical ~\$1,500 project, twice a year. Commissions accrue on completed, paid projects only. 3 referred clients = \$3,240 over five years; 5 = \$5,400. Refer a consultant we staff and earn 1.5% of their allocated project cost too.
